Terese Soto – Director

Nov. 3, 2011

Dear families of WCC,

I would like to extend L5's appreciation for the donations brought in for the homeless drive. We are grateful and surprised with all of the donations. We have put together 18 backpacks that contain blankets, socks, and a variety of toiletries. We have put together baggies containing a variety of toiletries.

L5 would like to congratulate L4 for bringing in the most items. They have won a brownie party for their efforts! Special thanks to Angus Cunningham's family and to Averi Bateman's family for going above and beyond with their very generous donations. The Cunningham's and Batemans will receive a business card sized advertisement in the school yearbook.

Thank you again for making our care package drive a success!

Ms. Jaimes and L5
